

# Chronological Digital Record Package

Court-Usable, Non-Forensic Documentation

**Flat Price:** \$159

**Date:** December 27, 2025

This service produces a clear, chronological PDF record of your digital communications that you can bring to court or provide to an attorney. Below is an example using mock data to show exactly how your finished document will look.

## What You Receive

Deliverable	Description
Chronological PDF	One complete, print-ready PDF showing messages in exact time order
Source Summary	Device and platform summary with date range and scope
Master Timeline	Cross-source timeline aligning messages and captures
Message Records	Full iPhone text message conversation (one thread)
Metadata Page	How the document was created, clearly explained

This is a technical documentation service only. No legal advice or forensic examination is provided.

# Example: Chronological Conversation (Mock Data)

This page uses entirely fictional names and messages.

**Conversation:** Alex Carter ↔ Jordan Lee

**Source:** iPhone Text Messages (Mock)

**Date Range:** February 10, 2024 – February 12, 2024

**February 10, 2024 — 9:12 AM**

**Alex Carter:** I sent the invoice this morning.

**February 10, 2024 — 9:18 AM**

**Jordan Lee:** I see it. I will review it today.

**February 10, 2024 — 4:42 PM**

**Jordan Lee:** I have questions about the total.

**February 11, 2024 — 8:03 AM**

**Alex Carter:** Happy to explain. Which part?

**February 11, 2024 — 8:15 AM**

**Jordan Lee:** The additional labor charge.

**February 12, 2024 — 10:27 AM**

**Alex Carter:** That covers the extra site visit we discussed.

**End of Mock Conversation**

Your actual document will follow this same format, using your real messages and dates.
